OFFICE OF THE MINISTER FOR EDUCATION
Date.....
Sir.....S.D.....

Dear Sir,

With reference to D.O.letter No.173/C.B.dated 4th July 1949, from the Education Secretary to Government, stating that Government have decided to permit Sri H. Ramaswami Iyengar, Acting Professor of Chemistry to retire from service with effect from 12th November 1949, I write to state that Sri G. Narayan, Acting Professor of Chemistry, Central College, Bangalore, is going away on study leave in September 1949. The Chemistry Department of the Central College has been considerably depleted and it needs to be strengthened. When I recommended that Sri H. Ramaswami Iyengar may be retired I did not know that Sri G. Narayan would be going away on study leave. Sri S. Siddappa who is also in London is due to return only in September 1950. In the interests of the work of the Chemistry Department (Graduate and Post-Graduate courses), it is very necessary to retain the services of Sri H. Ramaswami Iyengar till the end of March 1950.

I shall be glad if in the circumstances Sri H. Ramaswami Iyengar is granted an extension of service till the end of March 1950.

Yours sincerely,

Sri D. H. Chandrasekharaiya,B.A.,LL.B.,
Minister for Education,Bangalore.

9 It may be seen from the civil list corrected upto 1st January 1948, that next to Sri G. Narayan and Sri S. Siddappa Sris K. Subba Bhatta and S. Both are shown as being temporary, the former is in the First Grade College, Mysore and the latter in the First Grade College, Tumkur. They are too low in the list of Asst Professors and they have been promoted as Asst Professors only recently. It is, perhaps, too early to think of promoting them as Professor.
